On September 24-26, 2012 a one-for-one Supra lockbox exchange took place, upgrading the old blue iBox, to the new Bluetooth or “BT” iBox. There still remain a large number of the old blue boxes that have not been exchanged for new BT iBoxes.

If you are in possession of an old blue iBox, you have only until October 24, 2012 at 5pm to complete the exchange. After that time, all old blue boxes will no longer function and will have no value (nada, nil, zero, not a dime, worthless, door stop, paper weight, boat anchor, etc!) and new BT iBoxes will cost \$89 each – no exceptions, sorry!

I have an old blue Supra box. What should I do?

1. Contact Lisa Welch at 402-619-5552 or LWelch@OABR.com for an exchange appointment.
2. Bring all old, blue iBoxes to the OABR office (11830 Nicholas Street) at your appointed time.

After October 24, 2012, old blue iBoxes will no longer function and will have no value
