

# REALTOR® RING DAY

## ATTENTION, BELL RINGERS!

The bells and aprons will already be at the location with the kettle. It has been recommended to bring a piece of carpet or small rug to stand on if it is cold as it helps keep you warm.

If you experience any problems while you are ringing, please call 402-898-6000 or 402-898-5936, or you can call the Salvation Army driver, responsible for picking up the kettle at your REALTOR® Ring Day location.

We are sending Ring Day posters, buttons, stickers, and bells to each office. Please give two buttons, two posters, and a bell to each person/team ringing, beginning at 10:00 am. The agents will pass along the items to the next ringers. *Extra bell(s) marked with the REALTOR 'R' logo can be used the day of the event and dropped off at the OABR office or the REALTOR® Ring Day reception.*

If the next ringer has not shown up by the time your shift is over, simply leave the bell and apron with the kettle and stand.

The Omaha Area Board of REALTORS® would like to thank everyone who helped with scheduling, recruiting, and ringing, for their time and effort in making REALTOR® Ring Day a successful day!

For questions the day of the event, please call or text Cindy Kinsler at 402-214-1068.
